

Happy New Year!

On behalf of the staff, volunteers and Board of St. Joseph's at Fleming Foundation, I'd like to take this opportunity to wish you and yours the very best for 2024.

We remain hopeful that this year will continue to move away from the pandemic restrictions and a return to a more normal life. Throughout the pandemic, we have tirelessly worked through our Be a Saint Campaign, inspired so much by the

generous gifts we have received in spite of Covid. I'm delighted to share with you that over the holiday months we have raised over \$8,500! This puts our campaign total over \$2.4 million, with the full knowledge that it is you we have to thank for your ongoing support.

Wayne Godward
St. Joseph's at Fleming Foundation Chair

Thank you all for "Being a Saint" this holiday season. Here are some of the wonderful messages we received for our residents, families, staff, and volunteers this season:

Wishing you and yours a very joyous holiday season and Happy New Year!

Merry Christmas to the staff and residents at St. Joseph's!

Merry Christmas and Happy New Year. Here's hoping 2024 is another exciting year. All the best everyone!

Tuck Shop

The St. Joseph's at Fleming Foundation has been thrilled by the success of the recently opened Tuck Shop! We have been excited to welcome residents, families, visitors, and staff to this new activity, and have been enjoying getting to interact with each of you! If you haven't had the opportunity yet, make sure to come by and introduce yourself and browse around, or sit and enjoy a cup of coffee or tea when we're open next – see the hours of operation posted to the Library windows. We will be open every Wednesday and Friday for the month of January!

Gifts of Stock

Did you know that as your portfolio of stocks and securities increases in value, you will be obligated to pay extra income tax when you decide to sell and liquidate those securities?

In Canada, 50% of the value of any capital gains are taxable. Should you sell the investments at a higher price than you paid (realized capital gain) — you'll need to add 50% of the capital gain to your income.

However, when you donate some of your stocks and/or securities to a registered Charity, like St. Joseph's at Fleming, you do not pay any income tax on the increased value and instead you will receive a charitable tax receipt for the full increased value of the stocks donated, which you can use to reduce your other income taxes payable.

Donating stocks and/or securities to St. Joseph's at Fleming is a wonderful way to help our residents and lessening your own tax burden at the same time – a real win/win for everyone! Talk to your financial advisor or contact Sarah Cox in our Foundation office at 705-743-4744, ext. 3060 to learn more.
