

## New Activities at SJF!

A special thank you to **The United Way Peterborough** for funding a new project for SJF. We are excited to announce that they have assisted us in the purchase of new **Virtual Reality** experiences for the residents to use!

**United Way**  
Peterborough & District

This new technology allows residents to travel the world virtually while remaining in the Home. We are excited to offer residents a new activity to participate in at SJF!

"This is beautiful!  
It's a wonderful  
treat!  
It's like being on a  
holiday. I'm riding  
a boat I don't have  
to own."
