

Thank You to The 100 Men of Peterborough!

Opening its doors in 2004, our 150,000 square foot, 200 bed not-for-profit long-term care facility, operating 24/7/365 is now 20 years old! In 2020 the St. Joseph's at Fleming Foundation launched its ongoing "Be a Saint" Capital Campaign to help raise funds needed by our Home!

We are thrilled to announce that **The 100 Men of Peterborough** have generously awarded SJF with a gift of **\$10,000** to go towards our campaign! This generous gift will make a huge difference in our ability to provide residents with the best possible care today and into the future!

In order to assist SJF in keeping up with the capital requirements for a 20 year old building, the Foundation will continue to generate donations/revenues to help improve the facilities and services being provided to our residents. We recognize that each person in our home is unique, and we want to be able to provide each person with the best possible experience at SJF.

The Be a Saint Golf Tournament!

We're really looking FORE-WARD to seeing your family represented at our 4th annual **Be a Saint Golf Tournament!**

We will be at **The Quarry** in Ennismore on **Thursday, June 13th**.

Registration forms are available on our website www.givetosjf.ca/events. Check out the great opportunities for **sponsorships** as well!

If you are unable to attend this year's golf tournament, but would still like to assist us in our fundraising event, perhaps you would like to **volunteer**? Or you could even donate a new item to our **Silent Auction** table? Really popular items include **sports tickets** and memorabilia; **gift cards** to restaurants or businesses; new household items, etc. We would also be grateful for **donations of beer** for our Bucket of Beer raffle!

If you would like further details, please don't hesitate to contact Sarah Cox, Foundation Fundraising Coordinator, at 705-743-4744, ext. 3060 or visit www.givetosjf.ca.

Thank you in advance for your anticipated support! Without people like **you** we would not be able to better the lives of our residents who are so richly deserving of our collective efforts!
