A New Year's Message from Our Foundation Board Chair

As we welcome 2025, it's a wonderful time to reflect on the moments that have shaped us, the connections we've built, and the memories we've created. Here at St. Joseph's at Fleming, every day is a testament to the strength of our community—the residents, families, and staff who bring so much heart to our home.

The start of a new year is not only a time for reflection but also for renewal. Together, we look forward to the opportunities ahead to grow, share, and make this year even brighter. Whether it's through moments of laughter during our events, quiet conversations with friends, or the continued support of our Foundation, we are reminded that the spirit of togetherness carries us forward.

As we step into this new chapter, I want to express my deepest gratitude for your generosity and commitment to our mission. Your contributions to the Foundation make an incredible difference in the lives of our residents, bringing joy and comfort in countless ways.

Here's to a year filled with hope, health, and happiness for all. May 2025 be a year of new beginnings and cherished memories.

Warm regards,

Wayne Godward

St. Joseph's at Fleming Foundation Board Chair

2024: A Year of Community Generosity

This past year, our community came together in amazing ways, raising over \$98,000, to support the St. Joseph's at Fleming Foundation!

Here's how your generosity has made an impact:

- Upgraded elevator and generator systems
- New slings for safe resident lift transfers
- Installation of new bathtubs for enhanced comfort and care

To everyone who contributed, volunteered, or shared kind words of encouragement — you are the heart of this community. Your support means the world to us, and together, we've made a real difference.

Here's to another year of building a stronger, more caring community in 2025!

A Special Thank You to Bernadette and Rick Peters

We would like to extend our heartfelt gratitude to Bernadette and Rick Peters, cherished members of our St. Joseph's at Fleming family, for their incredible generosity.

Bernadette is a familiar face at the home, her mom, Shirley (pictured below), has lived at St. Joseph's at Fleming for nearly three years and her dad previously resided here but passed away last year. In addition to supporting the home through donations, Bernadette is an advocate for St. Joseph's at Fleming – sharing her knowledge through Family Council and with the many families she meets when visiting her mom. She has also brought some incredible programs to our residents, including organizing entertainment and a fundraiser to treat residents to a meal from Mary Browns.

These thoughtful donations and contributions to the home have made a meaningful impact, helping us continue to provide exceptional care and enriching experiences for our residents. Contributions like yours remind us of the deep connections and love that bind our community together. Thank you, Bernadette and Rick!
